## Smart Start in the Schools

**Smart Start in the Schools** is a series of FREE learning activities for parents and their birth-to-4-year old children not currently enrolled in school. Parents and their children may attend activities at any of the locations listed below. Each child receives a book at the end of each session.

**Smart Start en las escuelas** es un programa para padres y niños menores de 4 años que todavía no concurren a la escuela. Son clases donde realizamos actividades divertidas que ayudarán a su niño a estar preparado para comenzar la escuela. Los padres pueden participar en cualquiera de las actividades que figuran a continuación. Las clases son GRATIS y cada vez que participan, su niño se lleva un libro a casa.
